NOTE: *GOVT3180: Leadership Internship - the internship is for one month, specifically June. The student is placed in a public or private organization where they are supervised. The supervisor completes an evaluation form about the student at the end of the internship. The student also submits a report on their internship experience to the internship coordinator.

NB: An Elective is an optional course offered in any faculty. Your programme will indicate the level from which you need to choose your elective.
