**Public Policy and Management Internship Programme (GOVT3115)
Acceptance to GOVT3115 (Internship), which runs for six weeks in the summer, is subject to the availability of positions, as a result only a limited number of students will have this option. Final year students should therefore register for GOVT3118, until a determination is made.

NB: An Elective is an optional course offered in any faculty. Your programme will indicate the level from which you need to choose your elective.
