Submission of Research Proposals

Students who have completed the first year of the M.Ed. programme are required to submit proposals for the Research Paper by **June15, 2015**. You will subsequently be assigned a supervisor. You are also reminded that the deadline for submission of the Research Project is **May 29, 2016**. If you fail to meet this cut-off date, there is no guarantee that you will make the graduation exercise in November 2016. The code for the Project is EDRS6801. The project is to be added to your registration for the second year of the programme.

Please be guided accordingly.
